Examiner: So, now, in this part, I'm going to give you a topic and you must talk about it for one to two minutes.

Zoya: Okay.

Examiner: You will have one minute to take notes and think about what you are going to say. Do you understand?

Zoya: Yeah, sure.

Examiner: So, here is a pencil and paper for taking notes.

Zoya: Okay. Thank you.

Examiner: And here is your topic card. Please don't write anything on the cue card.

Zoya: Okay.

Examiner: I'd like you to describe a time you visited someone in another city.

Zoya: Okay. (silence)

Examiner: All right. Remember, you have one to two minutes for this, so don't worry if I stop you. I'll tell you when the time is up. So, can you start speaking now please?

Zoya: Yes. Sure. So, let me tell you a story, when I visited my friend. To begin with, I visited my friend, her name was Julia. Well, actually, we learned together at school, we were classmates.

Zoya: When she was a freshman student, she was in the First Chorus, and she embraced the opportunity to just get education in Paris. And yes, since then, she lives there. Well, move on, I visited her for a couple of reasons. The first one is that we see each other once in a blue moon, and we just decided to catch up there.

Zoya: The second one is that I had my Shengen Visa, and I tried to use it to visit Paris and a couple of cities, as well. Well, why I really enjoyed by this journey is that I really was blown away by Paris. It's an amazing city, has a long historical background, it has plenty of sights, like Eiffel Tower, and some other things.

Zoya: Well, finally I would have to say that I was Over the Moon to just catch up with Julia, because we was hanging out together, we visited lots of places together. She has shown me Paris, and I was so impressed by this trip.

Zoya: This was my presentation. I hope you enjoyed it.

Examiner: Can you say anything else about it?

Zoya: I'm sorry. Could you ...

Examiner: That's fine. Thank you. And one more question.

Zoya: Okay sure.

Examiner: Did you tell anyone else about this trip?

Zoya: Yes, sure. I talked a lot about this trip to my family, to my parents, yes, and also to our classmates.

Examiner: Thank you. Can I have the paper and pencil back?

Zoya: Yes, sure. There it is, please.

Examiner: Thank you
